

# Cutter's EC Caddis – Mother's Day Caddis

**Class:** Dries - Caddis

**Originator:** Ralph Cutter

**Source:** At Most Fly Shops  
Or Tie Your Own

## Clay's Notes

The E/C Caddis was originated by our local legend Ralph Cutter. Anyone that has read his book "Fish Food" or seen his DVD "Bugs of the Underworld" knows that Ralph knows his business. This pattern is a pattern that can match caddis wherever you roam. It floats well and is a proven pattern. Tie some of these patterns up to match caddis. Wherever you roam. They should be your fly box.
