On the Lower Yuba River

Fly Fishing Traditions Spey School

Fly Fishing Traditions is proud to offer a Spey and Switch Rod School that will take place on the beautiful Lower Yuba River. This school is broken into two separate classes over the course of two days. Day One teaches Spey Gear and Basic Spey Casting and Day Two teaches Spey Tactics and Advanced Spey Casting.

The Spey Gear and Basic Spey Casting portion of the class will review the equipment, gear, lines, heads and tips to rig a spey or switch rod properly. It will cover the basic river right casts, the double spey and the off-hand single spey. It will cover the river left casts, the Snap Tee, and the on-hand Single Spey cast. This portion of the class will enable you to develop the necessary skills to rig and cast a spey or switch rod.

The Spey Tactics and Advanced Spey Casting portion of the class will cover the more advanced spey casts like the Snap Z, the Circle Cast, the Perry Poke and the Snake Roll. You will learn which cast to use when you have an upstream wind or a downstream wind. We will discuss swinging techniques and strategies as well as fly selection.
