

# Epeorus High-Vis Spinner

**Class:** Mayfly Spinner -  
Epeorus – “Pinkies”

**Matches:** Epeorus Spinners

**Originator:** Unknown

**Resource:** See Tying Recipe

## Clay's Notes

Late in the evening using an Epeorus High-Vis Spinner can produce trailed behind something you can actually see like a PMD parachute. The double dry rig really helps as the sun goes down.

### Epeorus High-Vis Spinner Tying recipe

**HOOK:** TMC 900BL, #16 – #18
