

# Low Rider Yellow Sally

**Class:** Dries - Stoneflies

**Matches:** Yellow Sally Stonefly Adults

**Originator:** Hogan Brown

**Source:** Check On-Line Retailers

## Clay's Notes

The Low Rider Sally was Hogan Brown's first stonefly dry pattern. He wanted to create a pattern where the fly sat low in the water column and helps imitate the natural struggling to launch. I don't have a fly pattern recipe for this but it looks fairly easy to figure out. Like most flies, pick up a couple samples, bring them to your local fly shop and they will help you decipher a pattern recipe.
