

# Skip's Nymph

**Class:** Nymph - Mayflies

**Originator:** Skip Morris

**Source:** Tie Your Own

## Clay's Notes

The Skips nymph is a great pattern for you to tie yourself. You can use the Skip Nymph anywhere that you would use a Pheasant Tail Nymph. Tie some up.

### *Skip's Nymph Tying Recipe*

**Hook:** Standard or 1X long nymph or larva hook, #6-22  
**Thread:** Match color to dubbing 6/0.  
**Tail:** Natural, rust, olive, gold, or black dyed pheasant tail fibers (extend tail material for shellback)  
**Rib:** Fine gold or copper wire  
**Abdomen:** Tan, olive, black, or brown or yellow dubbing to match natural nymph's belly color  
**Wingcase:** Pheasant tail fibers to match tail  
**Thorax:** Slightly darker dubbing than abdomen.
