

# Stimulator – Yellow Sally

<b>Class:</b>	<b>Dry – Yellow Sally</b>
<b>Matches:</b>	<b>Yellow Sally Stonefly Adults</b>
<b>Originator:</b>	<b>Randall Kaufman</b>
<b>Source:</b>	<b>See Tying Recipe</b>

## Clay's Notes

Randall Kaufman designed the Stimulator to match many types of Stoneflies. A Stimulator tied with Golden Stone dubbing blended with just a touch of olive will match the Lower Yuba Yellow Sallies. Note: The photo is of a Yellow Stimulator. The Yellow Sally version will be smaller and brighter yellow.
